

A Biblical solution to Health Care

Samaritan Ministries is a community of Christians paying one another's medical bills. It's not insurance; it's assurance that you're part of a health care sharing community where members care for one another spiritually and financially when a medical need arises. **It's a Biblical way to meet your health care needs.**

Three reasons to join

1

No networks

You're in control of your health care.
Choose the providers that are right for you.

2

Christian community

When you have a medical need, fellow members send money directly to you to help you pay your medical bills. And you'll do the same for them, all while praying for and encouraging one another.

3

Affordable

There's a sharing program that could fit your budget. An easy-to-use cost calculator will help you determine your monthly cost (samaritanministries.org/programs/cost).

We look forward to welcoming you to the Samaritan® community. Join us today!

If you heard about Samaritan Ministries from a friend or family member, please tell us when you complete your membership application (example: Ryan Fitz, Houston, TX), and we will give them a **\$100 referral credit** (limited in Maryland).
